TO THE VOTERS OF EATON COUNTY

As a Navy veteran and Lawyer for the past 31 years, I wish to strongly endorse Kelly Morton for Eaton County District Court Judge.

As a veteran, I believe that if you want to be promoted you need to spend some time down in the trenches and work hard. As a retired Defense Attorney, I have had the opportunity to be around this amazing lawyer for many years as she juggled dozens of cases each day in the Eaton County Prosecutor's office. I have tried cases with her and watched her grow in both skill and experience. She is fair, kind and determined. Most important, she knows from getting up every morning, taking care of her family and going to work for the people of Eaton County what is just and fair. She has a love for this country and I know that veterans and the community will be safe in her hands.

I urge my veteran brothers and sisters and the citizens of Eaton County to promote Kelly Morton District Court Judge.

James Bliss  
Attorney/Navy Veteran
